The Whale Voiage

We began our whale-watching trip in Seattle, Washington. I was being a big growch about the trip. First of all, it had been raining all day and I didn't want to be cold and wet. Then, on the car trip to the dock, I realized I had forgotten to bring any food. So now my stomach was making noyses and I was hungry, too. My parents kept telling me not to fron, but I couldn't help it. I didn't want to go whale watching. I wanted to stay home and play with my friends. When we got out on the water, I was miserable. Then I saw my first whale! A huge orca came out of the water about a thosand feet from our boat. It was incredible!
